**A note for parents: Between each camper session the Camp Taiwan staff have a day off. PALs are welcome to go home for that time off from Saturday at 2pm until Sunday at 6pm or they may stay at camp, where we will have a staff member present to supervise the PALs and any other stay-over campers. For PALs coming from outside of Taiwan, parents can choose a day off guardian for the PAL to stay with on days off.**

**The Day Off Guardianship agreement is attached and must be signed and sent with all PALs on the first day of camp.**
